## Emergency Economic Stabilization Act of 2008: IRA Rollover Provision

On October 3, 2008, President Bush signed legislation that could greatly impact our members in their stewardship life and gift planning. The Emergency Economic Stabilization Act will allow individuals ages 70 ½ or higher to donate up to \$100,000 from an individual retirement account (IRA) without increasing taxable income. This donation/distribution counts toward the donor's minimum required distribution for the year as well.

More information and a video presentation about the IRA rollover provision can be found at [www.lcmsgiftplan.org](http://www.lcmsgiftplan.org).

This information is provided to help you create a Lifetime Plan for Giving™ that provides for the people you love and ministries you care about.
