

Everything You Need To Know

For your Timothy House visit

- † Timothy House is open for guests from mid-June through mid-September.
- † Clothing is casual – what else! Quarry and shore hiking call for sturdy shoes. Cool evening breezes urge sweatshirts or sweaters. Swimming is great, so bring your suit.
- † All linens are provided for you. If allergies require a special pillow, bring it.
- † We have two full baths and one half bath available for our guests use. Since the bathrooms are shared, you might pack a robe.
- † There is no air conditioning. However, ceiling fans in each bedroom – supplemented by those island breezes – are provided.
- † Bring your bikes – the biking is excellent. Fishing gear is also in order (licenses are available on the island). There are no golf courses or tennis courts but there is miniature golf nearby. Check the Kellys Island website: www.kelleysisland.com to find out more about the island.
- † Ferry information can be found at: www.kelleysislandferry.com. You can either ferry your car with you or leave it on the mainland at Marblehead for a fee. Call ahead and we will be there to meet you at the dock. (When making travel plans, it is good to know that Ohio is on Eastern Daylight Time.)
- † Guests may arrive anytime after 2:00 p.m. unless other arrangements are made. Be sure to let us know when you expect to arrive.
