The beautiful shores of Lake Erie at Maumee Bay State Park welcomed the Directors of Christian Education and Directors of Family Life for a combined conference with workers from the Ohio and Michigan Districts, October 19 - 21. With the theme Getting Strong, Going Strong, Rev. Bill Yonker used Jude 1:20 - 21 to help us reflect, encourage and be renewed to continue in ministry in our home Districts and Congregations. Rev. Chris Eldridge and Rev. Phil McClelland presented workshops that helped us in 'getting strong and going strong'. There were more workshops, plenty of good food and time for discussions while enjoying the beautiful State Park. The Ohio District had 12 workers attend of the 40 registered. This is a great showing from our District!
